Dear Vic:

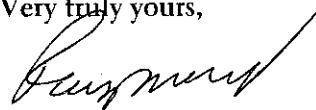

I wanted to thank you for another year of cooperation in our Workers' Compensation referrals. In this time of rising prices I have found your fees to be reasonable and the fact that you and Robin have been prompt in letting us know exactly what information you need has made it possible for our clients to be examined with a minimum of delay.

I also appreciate the fact that you have been so willing to work with us in the scheduling of depositions when needed and in responding to our follow-up questions from concerns raised by other physicians after your reports have been submitted. The fact that you are willing to explain and defend your conclusion makes your reports that much more useful in litigation.

I can and do recommend you to other Workers' Compensation attorneys without hesitation. Please feel free to use this letter to substantiate that fact and to refer any questions other attorneys may have about your abilities to me.

Thank you again for your good work.

Very truly yours,

~~S. F. RAYMOND SMITH~~
