Re: Eric \_\_\_\_\_

Dear Dr. Poletajev:

I received and reviewed your supplemental report dated January 20, 1994. Not only is it strong and well-detailed, but it will give Nationwide a preview of what your testimony will be if they put us to the necessity of calling you. It is a detailed response which leaves no doubt that Dr. Becker's mission in writing his report was to provide Nationwide with a weapon for the defense. I enclose my check for \$150 which I am advancing to pay your report fee as billed. Thank you for your efforts on Eric's behalf.

Cordially yours,

  
Kenneth O. Tompkins, II
